

October 12, 2006

CURRICULUM VITAE

Name: Giacomo (Jack) R. DiTullio
Address: College of Charleston
Hollings Marine Laboratory
331 Fort Johnson
Charleston, SC 29412

Phone: (843) 953-9196 (office); (843) 953-9199 (Fax)
E-mail: ditullioj@cofc.edu

Education: Ph.D. Oceanography, University of Hawaii at Manoa, Dec. 1987
M.S. Oceanography, University of Hawaii at Manoa, May, 1985
B.Sc (Honors) Biology, St. Francis Xavier University, Nova Scotia,
Canada, May 1978

Scholarships and Awards: College of Charleston, Distinguished Research Award, 2004
College of Charleston, Siegling Endowed Chair in Biology, 2001-present
College of Charleston, Dean's Distinguished Achievement Award, 1996
Harvard University, Post-doctoral Fellowship Award, 1987
Univ. of Hawaii, Outstanding Graduate Research Assistant Award, 1987
Univ. of Hawaii Achievement Rewards for College Scientists (ARCS)
1984, 1985 and 1986
St. Francis Xavier University Scholarship, 1976

Professional Experience: Medical University of South Carolina, Graduate Faculty, 9/03 to present
College of Charleston, SC, Associate Professor, 5/00 to present
College of Charleston, SC, Assistant Professor, 1/95- 4/00
University of Tennessee, Research Assistant Professor, 6/91-12/94
Moss Landing Marine Labs, Research Associate, 1/89-6/91
Harvard University, Post-doctoral Fellow, 12/87-12/88
University of Hawaii, Graduate Research Assistant, 9/80-12/87
Children's Hospital Medical Center, Boston MA, Res. Asst. 12/78-9/80

Research Interests: Marine phytoplankton physiology and ecology
Global biogeochemical cycling of C, N, Fe and S
Biogenic sulfur compounds in the marine environment
Photosynthetic pigments as chemotaxonomic markers
Redox proteins as diagnostic markers for iron limitation

Oceanographic Experience: Research Scientist on various major oceanographic expeditions
Approximately 44 months of cumulative research experience at sea

Professional Societies:

American Society of Limnology and Oceanography, 1983
American Geophysical Union, 1986
The Oceanography Society, Charter Member, 1988
Phycological Society of America, 1996
American Association for the Advancement of Science, 1996
Sigma Xi, 1996

Teaching Experience:

Current Lecturer: Introduction to Oceanography (Biology 342/342L), Physical Oceanography (Biology 610/610L), Marine Botany (Biology 635), Wind & Waves (Honors 390), Seminar on Biogeochemical Cycling in the Oceans (Biology 650), Aquatic Pollution (Biology 503), Phytoplankton Physiology and Ecology (Biology 502), Oceans and Global Climate Change (Biol. 650), College of Charleston, 1995-present.

Lecturer: Environmental Sciences, Tusculum College, TN, 1992-1994

Lecturer: Aquatic Pollution, (Ocean 320), Univ. Hawaii, 1987

Lab Instructor: Phytoplankton Ecology (Ocean 635), Univ. Hawaii, 1985

Lab Instructor: Comparative Anatomy of Vertebrates (Biology 235)
St. Francis Xavier University, Canada. 1976,1977.

Publications:
